TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

IN THE MATTER OF AN	§	BEFORE THE
ENFORCEMENT ACTION	§	
CONCERNING	§	TEXAS COMMISSION ON
CUSTOM CRUSHED STONE, INC.	§	
RN104159934	§	ENVIRONMENTAL QUALITY

AGREED ORDER DOCKET NO. 2007-1187-MSW-E

I. JURISDICTION AND STIPULATIONS

At its ______ agenda, the Texas Commission on Environmental Quality ("the Commission" or "TCEQ") considered this agreement of the parties, resolving an enforcement action regarding Custom Crushed Stone, Inc. ("CCSI") under the authority of Tex. Health & Safety Code ch. 361 and Tex. Water Code ch. 7. The Executive Director of the TCEQ, through the Enforcement Division, and CCSI appear before the Commission and together stipulate that:

- 1. CCSI owns and operates a concrete, asphalt, steel, wood chip and compost recycling facility at 9782 Somerset Road in San Antonio, Bexar County, Texas (the "Facility").
- 2. The Facility involves the management of municipal solid waste ("MSW") as defined in TEX. HEALTH & SAFETY CODE ch. 361.
- 3. The Commission and CCSI agree that the Commission has jurisdiction to enter this Agreed Order, and that CCSI is subject to the Commission's jurisdiction.
- 4. CCSI received notice of the violations alleged in Section II ("Allegations") on or about May 28, 2007.
- 5. The occurrence of any violation is in dispute and the entry of this Agreed Order shall not constitute an admission by CCSI of any violation alleged in Section II ("Allegations"), nor of any statute or rule.

- 6. An administrative penalty in the amount of Ten Thousand Dollars (\$10,000) is assessed by the Commission in settlement of the violations alleged in Section II ("Allegations"). CCSI has paid Eight Thousand Dollars (\$8,000) of the administrative penalty and Two Thousand Dollars (\$2,000) is deferred contingent upon CCSI's timely and satisfactory compliance with all the terms of this Agreed Order. The deferred amount will be waived upon full compliance with the terms of this Agreed Order. If CCSI fails to timely and satisfactorily comply with all requirements of this Agreed Order, the Executive Director may require CCSI to pay all or part of the deferred penalty.
- 7. Any notice and procedures, which might otherwise be authorized or required in this action, are waived in the interest of a more timely resolution of the matter.
- 8. The Executive Director of the TCEQ and CCSI have agreed on a settlement of the matters alleged in this enforcement action, subject to the approval of the Commission.
- 9. The Executive Director may, without further notice or hearing, refer this matter to the Office of the Attorney General of the State of Texas ("OAG") for further enforcement proceedings if the Executive Director determines that CCSI has not complied with one or more of the terms or conditions in this Agreed Order.
- 10. This Agreed Order shall terminate five years from its effective date or upon compliance with all the terms and conditions set forth in this Agreed Order, whichever is later.
- 11. The provisions of this Agreed Order are deemed severable and, if a court of competent jurisdiction or other appropriate authority deems any provision of this Agreed Order unenforceable, the remaining provisions shall be valid and enforceable.

II. ALLEGATIONS

As owner and operator of the Facility, CCSI is alleged to have:

- 1. Failed to protect recyclable material from degradation, contamination, or loss of value as recyclable material, in violation of 30 Tex. ADMIN. CODE § 328.4(b)(3)(B), as documented during an investigation conducted on April 18, 2007. Specifically, large piles of brush/mulch were not contained, covered, or otherwise managed to protect them from degradation, contamination, or loss of value.
- 2. Failed to submit to the TCEQ a written closure cost estimate for hiring a third party to close the Facility by disposition of all processed and unprocessed materials, in violation of 30 TEX. ADMIN. CODE § 328.5(c)(1), as documented during an investigation conducted on April 18, 2007.
- 3. Failed to provide any documentation to show that during each subsequent six-month period, the amount of material that is recycled, or transferred to a different site for recycling, equals at least 50% by weight or volume of the material accumulated at the beginning of the period, in violation of 30 Tex. ADMIN. Code §§ 328.4(b)(3) and 328.5(f)(1), as documented during an investigation conducted on April 18, 2007.

IV. ORDERING PROVISIONS

1. It is, therefore, ordered by the TCEQ that CCSI pay an administrative penalty as set forth in Section I, Paragraph 6 above. The Commission shall not be constrained in any manner from requiring corrective action or penalties for violations, which are not raised here. Administrative penalty payments shall be made payable to "TCEQ" and shall be sent with the notation "Re: Custom Crushed Stone, Inc., Docket No. 2007-1187-MSW-E" to:
